

NOTE: To update your company details please email the Meat Messaging support team at info@meatmessaging.com

Step 1: Log in with your Meat Messaging login details by heading to <https://www.meatmessaging.info/login.asp>

User code (8 digit code)

Password

If you have forgotten your login details please send an email to: info@meatmessaging.com

Step 2: Scroll to the bottom right hand of the page

Under company, click edit company.

Company

1	<input type="button" value="Edit company"/>	Edit company details
---	---------------------------------------------	--------------------------------------

Step 3: User Maintenance

The list of authorised company officials is shown below the company details.

For Export Establishments and Non-Packer Exporters, only users as outlined in the company Approved Arrangement as Authorised Company Officials can be added to use Meat Messaging.

Only the current logged in user can edit their details. There is no edit option for other users.

A user can be deleted by clicking the “Delete user” button.

List of authorised company officials

User Code	Name	Email address (username)	Key (8 character encryption key) - also your login password	User Level	Start date	End date	Delete user	Edit user	Email user
80026867	Lucas Coldstore	Lucas@data42.com.au	*****	2	4 - Aug - 2021		✘	No Edit	✉
80026875	John Jones	info@meatmessaging.com	ABCDEFG	2	6 - Aug - 2021		✘	✍	✉

Be very careful deleting users as a user that has completed an Attestation for eMTCs needs to be kept in the system for audit purposes. To add a new user, click the blue “Add New” button.

List of authorised company officials

User Code	Name	Email address (username)	Key (8 character encryption key) - also your login password	User Level	Start date	End date	Delete user	Edit user	Email user
80026867	Lucas Coldstore	Lucas@data42.com.au	*****	2	4 - Aug - 2021		✘	No Edit	✉
80026875	John Jones	info@meatmessaging.com	ABCDEFG	2	6 - Aug - 2021		✘	✍	✉

Step 5: Editing the New User

Once you click 'Add New User', a new user will appear named "New User". The "Edit User" pencil will be enabled. Click on the pencil to edit this new user.
